2nd ANNUAL NASA TEXAS AWARDS BANQUET

Hosted by Latemodel Restoration Supply

Saturday, October 30, 2004

The NASA Texas American Iron Series and Camaro-Mustang Challenge Racing Series wrapped up a successful 2004 year with its 2nd Annual NASA Texas Awards Banquet held Saturday, October 30th, 2004 at Latemodel Restoration Supply in Waco, Texas. AI/CMC championship Mustangs of John George (50resto.com sponsored racer) and Eric Varner were shined up and on display for all to see. Good Texas BBQ and wealth of friends proved to be a fun time for over 50 folks who attended this event. Recapping the 2004 season and covering all the changes and goals for the upcoming 2005 season were Todd Covini (Texas AI & CMC Director) and Adam Ginsberg (Texas AI & CMC Assistant Director). A host of sponsor goodies and door prizes from various companies like Griggs Racing, Maximum Motorsports, Kenny Brown, Brothers Performance, 5.0 Resto, Lou Giglotti Motorsports, On Track Performance and others were a big hit! The entire season was a HUGE success and we thank all you who have played a part, we couldn't have done it without you. If you want to know more about the series, please visit www.nasatx.com or www.americanironracing.com .
