Fox Mustang Vs LT1 4th Gen Acceleration Data

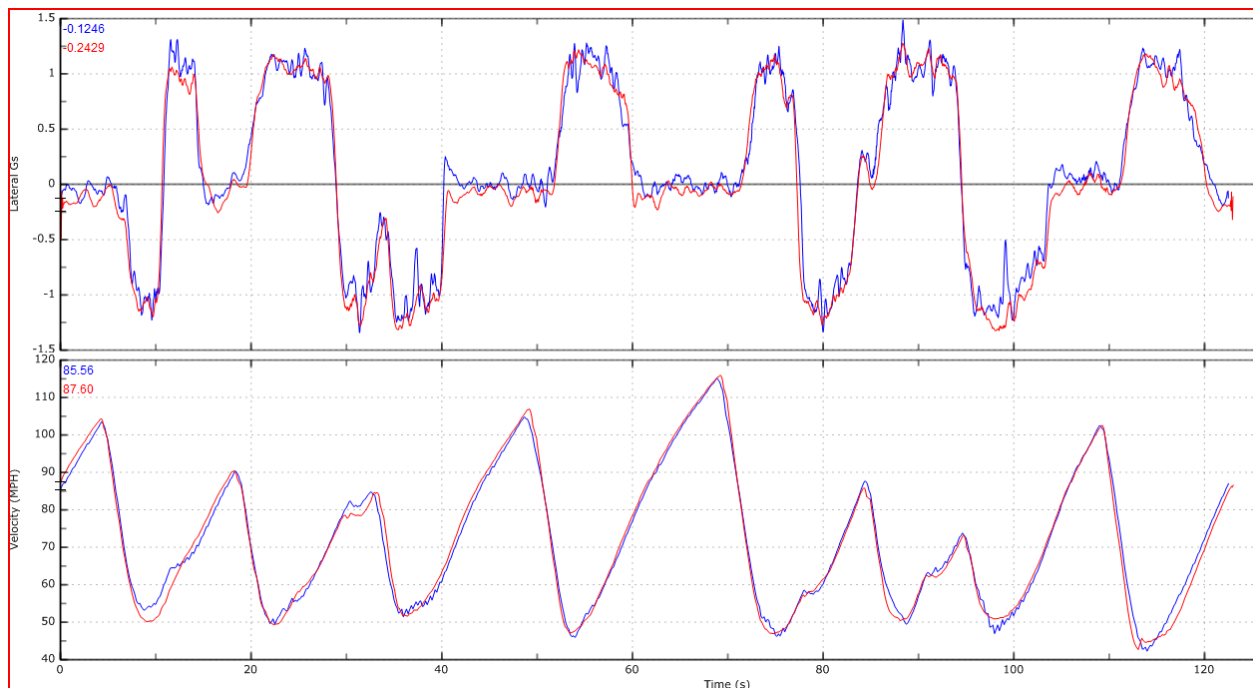

The following data traces were captured using NASA Traqmate data recorders at Eagle's Canyon Raceway in October 2012.

Blue trace is the LT1 4th Gen of James Proctor

Red Trace is the 5.0 EFI Fox Mustang of Michael Mosty

All data published with the express permission of both James Proctor and Michael Mosty

Lateral Gs and Velocity Vs Time

This is each driver's best lap of the session: 2:02.559 for Proctor, 2:03.009 for Mosty (note Mylaps times for these laps were 2:02.457 and 2:03.032 respectively).
